The holidays are just around the corner and we need your help!

This holiday season, Kids' Pages Cares will provide much-needed clothing, personal items, household items and wished-for toys to local children who would otherwise go without holiday gifts and necessities. Our goal is to help more than 2000 children in 2007.

Kids' Pages Cares gives families a loving "hand-up" not a "hand out." The families that receive assistance from Kids' Pages Cares have encountered difficult circumstances, the loss of a job, an illness or injury, a disabled child, a disaster such as a fire, parental abandonment (grandparents and other family members taking custody of children). Their stories are heartbreaking and they are very grateful for any help that they receive.

By receiving referrals directly from school administrators, we insure that the assistance is going to children and families that are truly in need and will make good use of the help.

Your generous donation will help make a positive difference in these children's and families' lives.

Every child deserves some joy, especially at this time of year. Thank you for helping make that happen! You are an angel!

100% of all donations collected will go directly to help families in need. Thank you for your generosity!
